Subject Re: May 22 Hearing on California Waiver Request

Julie -

I am not yet certain of what time limits will apply at the hearings as we do not yet have a complete list of those that plan to testify. Folks need to contact me by May 15 for the May 22 hearing and May 23 for the May 30 hearing if they wish to testify - and this does not necessarily preclude those that walk in the day of the hearing.

Please let me know how much time you anticipate you may need and whether you think any of your individual members may also testify.

regards,
David

Subject May 22 Hearing on California Waiver Request

David:

Can you tell me whether there will be a time limit for testimony at either of the hearings? Also, do you have a list of those who are expected to testify so far? We will send a letter shortly indicating our intent to testify on the 22nd, along with the official request for an extension. Not sure whether we will testify on the 30th.
