Subject 5/22 CARB waiver hearing

I am general counsel of Environmental Defense. I intend to speak at the May 22 hearing on the CARB waiver application for its 1493 motor vehicle GHG emissions standards regulations. My comments will focus on the alternative compliance provisions and be directed at the Notice's query about the relationship of the CA standards to EPCA fuel economy standards. Please put my name on any list of speakers. Thanks. 212-616-1247.
