Subject Re: Waiver hearings

Mr. Doniger and Mr. Hwang (David and Roland) -
Thanks for your email - you are on the respective lists.
Today's federal register should have a notice that announces the locations and starting times for each hearing. At this point I am still collecting names in order to determine how much time each person/company, etc will have to testify. I hope also to produce a rough schedule of speakers sometime after the 15th for the DC hearing and sometime after the 23rd for the Sacto hearing.
I suggest you make 10 copies of your testimony to provide to the EPA panel and as many additional copies as you see fit to distribute publically.
If you have any additional questions don't hesitate to send me an email.

regards,
David
