We can move California Waiver briefing to Tuesday afternoon if you all are available and then move the

Wednesday afternoon. SLJ traveling to/from Utah for water conf on Thursday. I am sure that, between the three of you, I will be faced with new challenge for that Friday! Shall we go ahead and move CA Waiver from the 6th to the 10th?

Cece,

It has come to my attention that several of the key staff in OGC will not be available Friday for a discussion of the CA waiver. (I also will not be available but didn't feel I was essential.) I think that we should consider rescheduling to early next week.

Thank you,
Jason
